FY23 Annual Results

24 August 2023

ersonal use only

Important Notice and Disclaimer

The material in this presentation is general background information about Beamtree Holdings Limited (ASX:BMT) and is current at the date of the presentation, 24 August 2023.

This presentation may contain statements that are, or may be deemed to be, forward looking statements. Such statements can generally be identified by the use of words such as “believe”, “estimate”, “plan”, “target”, “project”, “anticipate”, “expect”, “intend”, “likely”, “may”, “will”, “could” or “should” and similar expressions. Indications of strategy, plans, objectives, targets, goals, future events or intentions are also forward-looking statements.

You should not place undue reliance on such forward-looking statements. Such forward looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of BMT or any of its related entities which may cause actual results to differ materially from those expressed or implied in such statements.

No representation or warranty, express or implied, is made as to the accuracy, reliability, adequacy or completeness of the information contained in this presentation. Past performance information in this presentation is given for illustrative purposes only and should not be relied upon as (and is not) an indication of future performance.

The information in the presentation is given for informational purposes only, is in summary form and does not purport to be complete. It is intended to be read by a professional analyst audience in conjunction with BMT’s other announcements to ASX. It is not intended to be relied upon as advice to current shareholders, investors or potential investors and does not take into account the investment objectives, financial situation or needs of any particular shareholder or investor. No representation is made as to the accuracy, completeness or reliability of the presentation.

The views expressed in this presentation may contain information that has been derived from publicly available sources that have not been independently verified. No representation or warranty, express or implied, is made as to the accuracy, reliability, adequacy or completeness of the information. Market share information is based on management estimates except where explicitly identified.

To the maximum extent permitted by law, BMT and any person involved in the preparation of this presentation disclaim all liability and responsibility (including without limitation, any liability arising from fault or negligence) for any direct or indirect loss or damage which may arise or be suffered through use or reliance on anything contained in, or omitted from, this presentation.

BMT is not obliged to, and does not represent that it will, update the presentation for future developments. All currency figures are in Australian dollars unless otherwise stated.

Totals may not add up precisely due to rounding.

Growth

Diagnostic Technology:

Indirect Sales: via partnership with Abbott Laboratories Inc.

- Dec 22 signed a new distribution partnership with Abbott.
 - Growing pipeline going into FY24.
 - Second co-sale (Tier 2 – large licencing contract with revenue sharing economics) now agreed.
 - Significant tier 1 licence sales pipeline following 11 new tier 1 licences issued in FY23. Recent new sale in Mexico August 23.
- Abbott recurring revenue doubled in FY23.

Direct Sales:

- Q1 FY24, agreement to implement RippleDown in Coventry & Warwickshire NHS trust post pilot, providing a strong reference site in the UK.
- Supported the largest implementation of RippleDown to date in South Africa and new large client in Australia.
- Pipeline growing in core markets (ANZ, UK, Canada, Europe) with several paid for offline analysis planned for 1H FY24.

AI Clinical Decision Support:

Scientific endorsement of Beamtree AI in transforming patient safety

- ADI research published in 'Resuscitation' journal confirming positive clinical and operational impact on adverse events and length of stay.
- Publication coincides with improved management of deterioration emerging as global health priority.
- Appointment of Beamtree AI professor at University of Sydney

Sales momentum:

- Australia – ADI technology implemented in South Australia and New South Wales.
 - Strategic partnership signed with Gold Coast with ADI targeted as first collaboration
- Asia Pacific – negotiating multi hospital implementation
- United Kingdom – being implemented in two leading NHS hospitals.

Annual Recurring Revenue* (ARR) (\$'M) Trend

*Annual Recurring revenue defined as last month of each quarter's recurring licence fee, volume based fees and subscriptions x12

Investment in FY22 providing operating leverage in FY23

- FY22 was a year of investment with organic opex growth of 85% or \$6m centred on ADI AI product (\$1.6M), international sales resources (\$1.5M), product & technology including cyber security (\$2M) and back office (\$1.0M).
- Benefit of investment is starting to be delivered in FY23 with strong recurring reported revenue growth (51%), limited cost growth (7% organic) and strong sales pipeline going into FY24.

FY24 Outlook

Management reaffirms long term outlook of delivering annual recurring revenue of \$60m by 2026

Targeting FY24 organic revenue growth of +20%

Continued focus on cost management with cost growth % targeted to be lower than revenue growth %

Beamtree targeting to deliver a positive operating profit in FY24

Divisional Growth

Diagnostic Technology: Capitalise sales momentum on direct and indirect (Abbott) pipeline

Clinical Decision Support: Expand ANZ footprint and focus on sales momentum in international markets

Coding Assistance & Data Quality: Additional data quality audits leading to significant product sales

Analytics & Knowledge Networks: Upgrade data platform infrastructure and related services to drive growth

Long Term Horizon – Reaffirm Conviction

Main Drivers of Growth:

~70% of the growth will come from overseas market

- Abbott (3+2 year) contract with revenue share
- International direct RippleDown® Sales
- Sales of Clinical Decision Support products both in ANZ and Internationally
- International expansion of coding products into new markets
- New Health Roundtable 8 year contract signed with investment in data analytics platform

Beamtree Strategy

Beamtree[®]

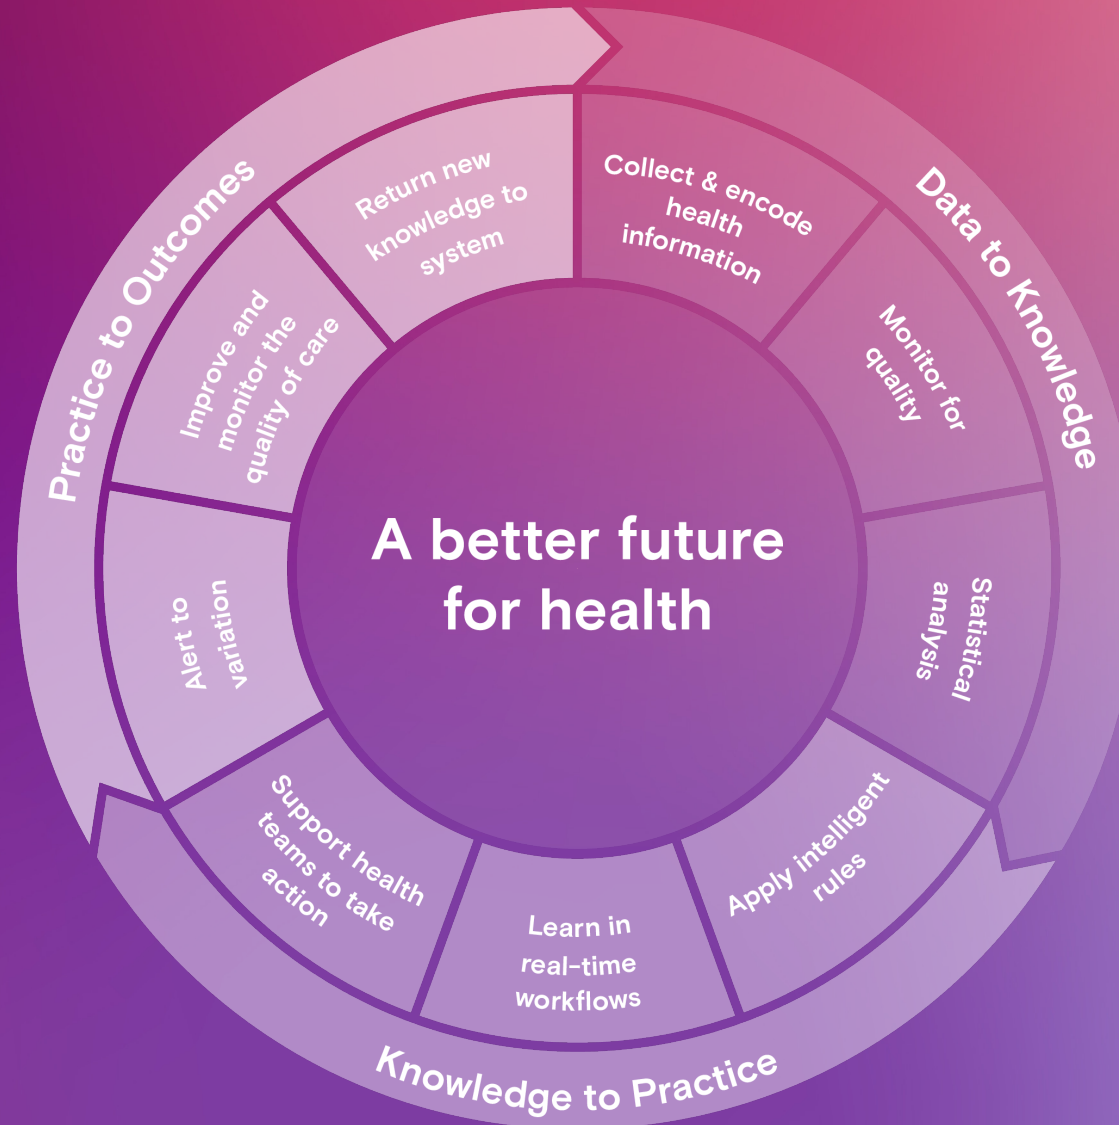

Creating a better future for health

As a global AI health technology company, we empower organisations to deliver exceptional patient care.

We strive to create a better future for health by turning data into insights and action through automation.

Learning Health Systems

Driving continuous improvement by better access to healthcare information – towards safety, quality and efficiency.
